

HOLY ROOD RC HIGH SCHOOL

OPTION CHOICES FOR S5/6

SESSION 2019/20

NAME:

TUTOR GROUP:

- It cannot be guaranteed that all the courses listed over will actually run. In the past a number of courses have been withdrawn because of the very small numbers of pupils choosing these particular subjects. The opportunity will be given to you in August to amend your course choices in the light of SQA exam results. At this stage in planning, subjects will remain in the columns shown on the option sheet
- Please ensure you have referred to the course information booklet before you make your choice.
- One of the option columns will be offered on a Tuesday and Thursday afternoon, so that additional choices and opportunities can be accessed at other schools or at college. While some courses may not run at Holy Rood because of small numbers, these courses may be available at other centres.
- Psychology is only available to S6 pupils. S5 pupils should choose courses where they already have a national qualification unless agreed with the Year Head.
- Your parents will be consulted before your course choice is finalised. Your Year Head will interview you to help you in your choice.
- Make a first and second choice from each column and enter the appropriate subject clearly in the grid overleaf.
- After you and your parent have signed the form, please return it to the school reception by **Monday 18 February 2019 at the latest.**

Pupil's Signature: Date:

PARENT/CARER: Comments:-

I support the choices made by my son/daughter as shown overleaf.
