Dear Parent/Carer

Virtual Parent Meetings – S2

You are invited to make appointments for the school's next Parent-Teacher Meeting. This meeting will be booked online, and then held by virtual meeting rather than in-person at the school.

The S2 Parent-Teacher meeting is on **Thursday 21 January, 4.30pm-6.30pm**

To make your appointments please login at: <https://parents-booking.co.uk/holyroodedinburgh>

Please note you need to type this address into your website browser's web address bar. Try not to 'google' search the website address as it will not be available this way.

To login you will need to enter:

- Your first name and surname
- Your child's first name, surname and date of birth

The login details you enter must match those we have on record for you.

Appointments will be available to book from **6.30pm on Thursday 14 January** until **6.30pm on Wednesday 20 January**. **Each appointment will be 5 minutes. Please note that the software will disconnect you at the end of your 5-minute slot and then automatically connect you to your next appointment.**

Please Note:

- Some staff teach multiple classes in S2 and therefore they have limited appointments available for the Parents' Meeting. Please make appointment based on the advice you require to support your child's learning at this important stage and to inform future choices.
- There will be a number of appointments available for the S2 Year Head and for Support for Learning, if required on the evening. Parents can continue to contact Mr Kiernan as per normal school procedures, via phone or email. Support for Learning appointments are for Nurture and the Social Communication Programme only. To access these appointments please book with Miss A Glynn.
- Limited appointments available with Karla Hart (Skills Development Scotland Adviser) to discuss subject choice support and Career pathways

On the day of your appointments, you need to login at the website address above 10mins before your appointments are due to begin. You will then join the video meeting room, where you can wait for your appointment(s). After you have made your appointments you can choose to print or e-mail a confirmation.

If you are unable to connect with a teacher on the night, the teacher may be able to telephone you at your allocated time. Although we cannot guarantee this given that teachers are currently working from home. Please ensure that you have updated the school if you have a new mobile number.
