OPTION CHOICES FOR S5/6

SESSION 2023/24

NAME: TUTOR GROUP:

- Please ensure you have referred to the course information booklet before you make your choice.
- It cannot be guaranteed that all the courses listed over will all run. In the past a number of courses have been withdrawn because of the very small numbers of pupils choosing these particular subjects. The opportunity will be given to you in August to amend your course choices in the light of SQA exam results. At this stage in planning, subjects will remain in the columns shown on the option sheet.
- One of the option columns will be offered on a Tuesday and Thursday afternoon, so that additional choices and opportunities can be accessed at other schools or at college. While some courses may not run at Holy Rood because of small numbers, these courses may be available at other centres. If choosing a College course in column 5 please indicate the name of the course overleaf.
- Leadership Through Modern Languages is only available to S6.
- S5 pupils should choose courses where they already have a national qualification unless agreed with the Year Head.
- Make a first and second choice from each column by entering a 1 and 2 clearly beside your chosen subjects.
- After you and your parent/carer have signed the form, please return it to the school reception by Friday 10 February 2023 at the latest.
