

Holy Rood RC High School Parent Council

The Parent Council represents the views of all the parents and carers of young people attending the school.

Parents and Carers are welcome to attend a Parent Council meeting and get involved.

The Parent Council meets at least once a term.

our objectives of:

- Creating a welcoming school
- Supporting the school in its work
- Supporting the Catholic ethos
- Representing the views of parents
- Supporting and encouraging fund raising
- Consulting on key school policies
- Promoting contact between the school, parents, pupils and the community.

Meetings take place in the school on Monday evenings; they start at 6.30pm sharp and are finished by 8pm. The dates will be published on the website.

Minutes can be found on the Holy Rood RC High School website following the Parent link

An alert on the school's twitter page will remind you of meetings.

People coming along to the Parent Council have said that the main reasons they did so were:

- They learned what was happening in the school
- They felt it was easy to offer as much or as little help as they could manage
- It was a good forum to make their views known
- It was a friendly and welcoming meeting
- It allowed them to meet other parents and carers and share ideas
- It helped them to help their child to get the most out of school

Thank you for your continued support and commitment in so many ways.

The AGM will be held in September every year - (AGM is open to all parents/carers)
