

New S5 - S6 Course Choice Survey - Session 2026/27

Pupil's Name: _____ **Tutor Group:** _____

If you're going into S5, you'll choose five subjects. It's best not to pick a Higher course you've never studied before (called a "crash" Higher). S5 pupils can't choose Advanced Higher courses.

Some subjects have a * next to them. You can choose these even if you didn't take them in S4 — but only if you meet the entry requirements. Course information booklets to follow.

If you're going into S6, you need to pick at least four subjects. Only S6 pupils are allowed to take Advanced Highers.

If you choose a College Course, it will happen on Tuesday and Thursday afternoons. Make sure to talk to your Year Head and let them know which course you're interested in. The college prospectus will be issued soon.

National Qualification Courses	NAT 5	HIGHER	Advanced Higher
Accounting *			
Administration & IT *			
Applications of Mathematics*			
Art & Design *
